

# New York Consortium for Interdisciplinary Training in Kidney, Urological, and Hematological Research

## Pre & Post-doctoral Fellowships Available in Kidney, Urological & Hematological Research

We are seeking applications for training investigators in the fields of benign **kidney, urology & hematology**. We have brought together expertise in research and education to establish the New York Consortium for Interdisciplinary Training in Kidney, Urological, and Hematological Research (KUHR: pronounced “cure”).

The fellowships, funded by the NIH, allow interdisciplinary training with world class investigators across 4 prestigious New York Research Institutions.

**Applications now being accepted for 2-3-year pre & post-doctoral training grants. Both applicants & mentors should submit application documents [here](#) by October 1<sup>st</sup>, 2024 at 11:59 PM ET.**

- **Applicants should submit 1 PDF which includes:**
  - o An NIH biosketch for the applicant
  - o Personal statement (maximum 1 page) detailing previous research experiences and career aspirations
  - o Research proposal (maximum 1 page) detailing the specific aims to be accomplished during funding period with a timeline (please contact us if unsure of project at the time of submission)
- **For each applicant, 2 letters of recommendation should be uploaded by the letter writer**
  - o At least 1 should be from a current or former research mentor
